BAD WEATHER SCHOOL CLOSING:

The college does not make any decision on canceling evening classes until 1500 (3 p.m.).

To check if evening classes will be held, go on-line to www.smccme.edu or call 741 5900

If the college is closed, due to weather or other circumstances, the class session for that night will be canceled and the lesson will be taught the following week with the calendar adjusted accordingly.
